FOREWORD

There are many patterns in our lives today. Patterns are a guide by which we make our lives. Many of the Patterns that we use have been designed to be profitable to each and every one of us.

As we entered Venice High School, our Patterns were somewhat simple, but as we progressed, they became more complicated. Our Patterns today are much more complex than our parents' patterns were.

Venice has shown us a new and completely different way of life as compared to our elementary and junior high days. What we have learned here will help us for the future. The Patterns we encounter after we leave Venice may be complicated or dangerous, but Venice has made us ready to meet the future.

In some cases, our Patterns have been changed by our stay at Venice. Some of us have decided to go on with our education, and others have decided to change the plans that we made earlier and go into the various worlds of business, government service, and private life. But whatever kind of Pattern we choose, it is indeed a very important one. The Patterns which we have learned to use will be with us for the rest of our lives.

Several new "patterns" have emerged at Venice High School this year.

The physical pattern of the campus continues to change with the completion of the new cafeteria-student store-lunch court facility.

Increased graduation requirements and more exacting major sequences are part of a pattern requiring more emphasis on guidance, course selection, and scholastic achievement.

We also see a broader pattern of enriching experiences developing. Increased interest in drama, music organizations, and art opportunities indicate that today's students are attaining a well-rounded educational experience.

We are proud of the achievements of this school year and the nearly eight hundred students who have attained graduation. Well over half of these are continuing or planning to continue in some phase of higher education. This is the pattern in which we take the most pride.

A HISTORY OF THE CAMPIONE CLASS

Once upon a time, a group of B-10's entered Venice High. At the time nobody thought of them as anything special, just plain, old B-10's. They elected as their grade representatives to Student Government Mavis Okazaki and George Gearhart. In sports, Richard Carmel won a gold medal on the "C" Swim Team.

In their second semester at Venice, this class showed some distinction, for they were no longer B-10's. The A-10 Reps. were Sheila Peslin and John Keyes. Lucille Smith was Pagette Suprema and George Gearhart was Lancer President. **Virginia Nance was hailed as the A-10 P.T.A. Princess.**

When they were in the B-11, the class was recognized more than ever before, and the entire student body knew that they would make a great class. They were represented in both Boys' and Girls' League Cabinets, Chatelaines, Esquires, Ushers, and Aesculapians. The B-11 Reps. were Vicki Chagi and Alan Nishio. In the field of athletics, Dallas Bethea showed great promise as a pitcher on the "V" Baseball Team. Larry Brown also showed great promise, but in gymnastics.

Under the leadership of Randy Schrader and Richard Carmel as A-11 Reps., the class prepared itself to become the next senior class. In complete secrecy they voted on their name and color. During that semester, Jill LeVoy served as Chatelaine Premiere, and Steve Aufrecht as Esquire Commander. Susie Ledbetter was the A-11 Princess for the P.T.A. On the "V" Football Team, George Gearhart and Bob Lethcoe made first string. On the "B" Team, Tom Montoya was on first string. Tony Pazaricky made an important contribution to the "V" Basketball Team, as Ron Bills did on the "V" Cross Country Team.

In the B-12, the whole community knew that the class was important, because the lavender sweaters of the Campione Class were seen everywhere. The Campione Class was well represented in Student Government, with Class President, Ron Bills; Class Vice Presidents, Susie Ledbetter and Steve Aufrecht; A.S.B. 1st Vice President, George Gearhart; A.S.B. Secretary of Finance, Dave Williams; A.S.B. Historian, Vicki Chagi; and Boys' League President, Richard Carmel. The other class offices were held by Debbie Mitouer and Art Aratin, Treasurers; Pam Phillips, Secretary; and Susie Ledbetter, Prom Chairman. Mavis Okazaki was Ushers' President, and Lucille Smith was G.A.A. President. Near the end of the semester, it was announced that Richard Carmel was chosen to be the A.F.S. American Abroad to Germany. Scholastically the class won many awards. Dave and Ralph Mitchell won Bank of America Awards, and were selected, along with Richard Carmel, for summer study at the Thacher School in Ojai. Dallas Bethea won a trophy in speech contest sponsored by the Lions Club. Kathy Lent won an Art Scholarship, and Jack Brandt was given an award at the Band Banquet. In sports, Dallas Bethea returned to the "V" Baseball Team, to the delight of Coach Turney. Ron Bills, Dick Eselgroth, Gary Kolosseus, and Mike Rickabaugh all won honors on the "V" Track Team. On "C" Track, Richard Brimley showed outstanding Achievement. Les Webb and Colin Smith were saluted as two of the best swimmers on the "V" Swim Team. Dave and Ralph Mitchell and Dave Williams were outstanding players on the Tennis Team, and Larry Brown won Western League Honors on the Gymnastic Team. Ralph Kame won a trophy for his participation in the Senior Wrestling Matches.

The final semester began with Randy Schrader at the helm of the Campione Class assisted by Vice Presidents Pat Angell and Dave Williams; Treasurers, Gale Murray and Charles Pillsbury; Secretary, Lucille Smith; and Breakfast Chairman, Debbie Mitouer. George Gearhart was Student Body President, Alan Nishio was 1st Vice President, Randy Crane was Secretary of Finance, and Ron Bills was Chief Justice of Student Court. Mavis Okazaki and Steve Aufrecht served as Girls' and Boys' League Presidents. Jennifer Jones was 1st Lady, while Richard Carmel served as Knight Commander. Kathy Lere was President of Lettergirls, while Kathy Smith marched around as Drill Team Skipper. Also during the semester, Randy Crane won the National Council of English Teachers Award. It was the second time that a Venetian received that award. The Campione Class was very successful in athletics too. On the "V" Football Team, George Gearhart and Bob Lethcoe took all Western League honors. On the "B" Team, Ralph Kame received a similar honor. Ron Bills returned to the "V" Cross Country Team, and Tony Pazaricky returned to the "V" Basketball Team.

The Campione Class was graduated from Venice High on February 1, 1963. Graduation was followed by the traditional Grad-Nite, which was held at the Miramar Hotel in Santa Monica.

Now, as the class spreads throughout the country, the great spirit of the Campione Class will remain in everyone's hearts.

CAMPIONE SWEATER DAY

The CAMPIONE sweater day started off with a big bang. For their material, the Campione went back to the old tale of Rumplestiltskin — slightly updated — and told by the "old story teller."

After insulting the Empyreans, the real story began. The tale was all about a poor maiden who managed to find herself in one bit of trouble after another. She couldn't find a name to the senior class.

The members of the class of W'63 announced their name as CAMPIONE—the champions of peace. Lavender, their class color, will never be forgotten as one of the most beautiful colors ever seen at Venice High.

A HISTORY OF THE ANTON CLASS

Three years ago a rather large group of young students entered Venice High. They weren't much to look at the first day and certainly they were not very important.

Leadership was shown by Ronnie Vasquez as Pagette Suprema and JDee Christensen as Lancer President. Class representatives were Vicki Overholtzer and Bob Nelson in the B-10 and then in the A-10 Errill Musgrove and Jon Shoemaker were elected. Errill was also chosen as P.T.A. Princess. Honors were taken in the poetic field by Elise Ganz, Diana Cavendish and Jeanne Fordham when they won the National Poetry Anthology Awards. With their entries, Kitty Kendall and Jeff LaBarre won Science Projects Awards. In drama, Tina Taravella displayed her acting ability by a leading role in the school play. In sports, Dave Edwards showed outstanding ability by making the varsity football team.

In their second year, the class chose Alice Nix and Faye Simpson as the B-11 class representatives. Alice was also Assistant Justice in Student Court. Sue Weiss and Bernd Pisters served as representatives in the A-11. Nancy Brown and Randy Burns headed their respective clubs of Chatelaines and Esquires. Carol Holtzman and Bob Nelson cheered our teams on to victory as school yell leaders and Chuck Swift led the Gondo marching band as drum major. Gail Goyeneche was chosen to be both our eleventh grade P.T.A. princess and the skipper of the Drill Team. Members of our class were also fortunate to be chosen for Girls and Boys State in Sacramento. They were Bonnie Bonar, Richard Lyon and Gary Blank.

In sports activities, the boys of the class displayed much enthusiasm. In varsity football Vincent Toth, Mike Fisher, Mark Jacobs and Bob Nelson were the prominent. Steve Willding and Vince Toth slugged away in the field of baseball, while Steve Shyrer and Al Luber supported the gymnastic team. To round out the sports picture, Mike Berne and Alan Kazdin won recognition in their respective sports of track and basketball.

As seniors, the class took great pride in announcing the colors of yellow and white and the name of Antons. In the senior year, the class was led by JDee Christensen and Alan Kazdin as Presidents.

Honors in the senior year were won by Kitty Kendall and Bonnie Bonar who received the D.A.R. Awards. Frances Connett, Richard Lyon and Gary Blank were given the Bank of America awards and, in the field of homemaking, Martha Holly showed her abilities by winning the Betty Crocker Homemaker of the Future Award.

The Anton P.T.A. princess was chosen to be Marie-Cecile Brunet Jailly, the French foreign exchange student to Venice Hi.

Leadership was shown by Jon Shoemaker as A.S.B. President. Marthe Mullenaux and Chisato Yamamoto directed the athletically interested girls as G.A.A. Presidents, and Carol Day was elected Lettergirl President. Marthe was also Girls' League President. Kitty Kendall and Brent Ware headed the senior service clubs of the Ladies and Knights. School spirit was again encouraged by Carol Holtzman as a school yell leader and also by Elise Ganz. The newly initiated school mascot, Gunther Gondolier, was portrayed by two Anton boys, Jim Isenberg and James Rose.

Many Anton boys were again active in sports. Such seniors as Alan Kazdin, Alan Eggleston, and Steve Willding participated in basketball. In baseball Vince Toth, Steve Willding and Jay Josephson helped support the team. Richard Stayner, Mike Berne and Roger Miller went out for track and Al Luber, Ted Splitter and Steve Shyrer lead Antons in gymnastics. The tennis team was aided by Antons Dave Showers and Jim Bone and the swimming team was supported by Barry Hedberg and Randy Burns.

As one can see the Anton class has taken active interest in school activities, both academic and athletic. Because of their participation the Antons can look back upon many happy memories at Venice High School.

ANTON SWEATER DAY

On a cool autumn day, a lavender flag flew at half mast over Watson Field. Slowly, a procession dressed in black entered the field, bearing a coffin. They marched over to the flag pole and took down the flag. Then they put up another flag—a yellow flag. Then the class on the field announced their name as CASTILLIONS. The class mourned and cried until the name was changed to ANTONS, Class of Summer, 1963.

The ANTONS sang their class song, TONIGHT, and proceeded to leave the field, but paused to thank the CAMPIONE class for not revealing their name and color, and the ANTONS were entered into the history of Venice High as one of the best classes to attend this school.

Dear Venetians,

We can feel proud most of all for the over-all school program which we, the members of the student body, have been fortunate enough to be part of. With the participation of each student and leadership by their elected officers, we have completed a successful semester. Achievements such as the 1,300 dollars for the American Field Service program, the 1,200 dollars toward Community Chest, and a fine can food drive for the needy in our area are but a few of the extra obligations undertaken by our student body and its Student Government.

Two very important aspects of this semester's Student Government have been completed with success, while also preparing for continued good fortune. The first of these aspects of government business is the organization and coordination of all student affairs and activities. The second aspect is that of progress in our program to reach the apathetic student. In doing so, we hope to bring about an interest in one or more activities in each student. In both of these respects, the elected officers of your Student Government have served a successful and rewarding term. In so serving, this Student Government has insured the continuation of a worthwhile program of government, leadership, and democratic process.

Sincerely,

George Gearhart

Dear Venetians,

This semester's Student Government was successful with its many activities. We can be proud of its accomplishments, but we must not forget that these accomplishments were made possible only by the support of the student body.

Our Clean Campus program was well received. In order to stress the program, Student Government, with the help of the service clubs, repainted all the trash cans on campus. "Locust Days" were held, and publicity was generated by students wearing signs and by printed slogans placed in the lunch areas.

Another major project was the reorganization of Student Court. In the new plan, a Superior Court, to try major infractions, and a regular court, to try minor offenses, were initiated. Superior Court is headed by the Chief Justice while the regular Student Court is headed by 10th and 11th grade Justices. The new system eliminated much delay in hearing cases.

To increase participation in special interest clubs, a "Club Day" was held. Booths were set up to supply information and applications to interested students. This resulted in gains by existing clubs and organization of new clubs.

Through the diligent work of Student Government, many articles appeared in newspapers, publicizing our school. Student Forums were held, where the student body could voice their opinions on future plans.

These programs and many others were undertaken and carried through by the Student Government of Summer, 1963.

Sincerely,
Jon Shoemaker

AESCULAPIANS

Mr. Walter Hutcherson and Mrs. Viola Silberman are the sponsors of Aesculapians. Promoting good health among Venetians is the main purpose of this club. Each Aesculapian furthers her knowledge of medicine and good health habits.

Working hard with the Red Cross, obtaining fruit machines for the student body, assisting in the tuberculine testing of students, and participating in the Heart Fund are some of the activities the Aesculapians are involved in.

Membership requirements for Aesculapians are interest in promoting good health and outstanding citizenship.

USHERS

A very useful and effective service club at Venice is Ushers. Ushering at all assemblies, special occasions, and graduation are some of their duties. Mr. Nealon, sponsor, supervises the 24 students. All officers are elected by the old and new members at the last meeting of the expiring semester. Membership in Ushers is offered to all students from B-11 to B-12. The number who are elected each year depends on the number of retiring Ushers. Ushers is a small club, but its services are most valuable.

For girls who love to sing out, the Girls' Glee is the perfect answer.

A CAPPELLA CHOIR

The A Cappella Choir, conducted by Mr. Cox, has long been a favorite of the students and faculty of Venice High. Known for their glorious renditions of sacred and secular choral pieces, the Choir has been a shining beacon of culture to all connected with them.

The gleaming maroon robes and gold collars of the A Cappella Choir are a guarantee of good music to come. All boys and girls who like to sing are welcome to the group.

ORCHESTRA

The Venice High School Orchestra, under the capable direction of Mr. Paney, offers to the students of Venice who are interested in music a great opportunity. Its repertoire is as varied as music itself. The chance to play great music under ideal conditions is a great inducement. How about you?

Members of the orchestra in alphabetical order were: M. Adams, N. Anderson, M. Baghramian, P. Borchsamian, J. Buklin, R. Calvert, C. Cicco, J. Dixon, W. Evans, M. Hannah, M. Hoehe, R. Hyndle, L. CRESCENDOS

As high school dance bands go, the Venice Crescendos rank as almost professional. Prizewinners in their field, deluxe in appearance, sound, and decorum, Mr. Paney's boys are making a reputation for themselves that no high school dance band will ever equal. The Crescendos have b e e n charming Venice audiences for a long time. It is hoped they will continue to do so.

A high school yearbook is many things to many people. To the graduating seniors, it is a lifetime record of their last and best year at school. To the teachers, it is a catalog of faces and events to be remembered long after the students they loved have gone into the world. To the undergraduates, it is a milestone in their school careers. But to the staff who produces it, it is a labor of love. With a good deal of labor and a great deal of love, they present it to you.

OARSMAN EDITOR

The Venice High Oarsman has seen many triumphs in its long years of publication, but the year of 1962-63 will long be remembered for its additions to the fine record. For the first time in Venice history, the staff produced a newspaper — on their own summer vacation time — to be ready on opening day of school. For the first time ever, the Oarsman became a weekly newspaper. Under the sponsorship of Mr. Rotman, the Oarsman and Gondolier staffs are open to interested and qualified Venetians.

GIRLS AND BOYS STATE

Richard Lyon

Bonnie Bonar

Gary Blank

One of the highest privileges that Venice High has to offer is being a delegate to Girls and Boys State. Last summer our school was represented by three very capable students, Bonnie Bonar, Richard Lyon, and Gary Blank.

They traveled to Sacramento where they formed a mock government with every representative holding an office. Each student was a member of a city, county, and state.

The purpose of Girls and Boys State is to promote a better understanding of government and to build better citizenship.

Nothing can happen in the Auditorium without the help of these hard-working boys and their peerless leader, Mr. Wilson. Among some of their jobs are making and moving scenery, setting up and operating props, and operating the curtains and lights that make the shows more fun to watch. Interested? Stage Crew is open to qualified boys and girls.

A.F.S. CLUB

The function of the A.F.S. Club is to support the activities of the American Field Service at Venice High. The club participates in various activities and drives which raise money for support of the A.F.S. program. FOLK SINGING CLUB

Though not new—in fact, it's rather old!—folk singing has swept the country in the recent past. Venice's chapter of the folk singers' guild has just now begun to roll. Holding a "hoot-nanny" every Friday at noon, the club, under the tolerant leadership of Mrs. Russell, hopes to include every Venetian who is really interested in this fine art.

Pictured at right is a typical meeting of this casual, informal, fun-loving group.

THESPIANS

Acting is a way of life to the Venice branch of the National Thespians. Just studying drama or putting on plays is never enough for the real "pros" who must live drama as these devoted Gondos do. Under the capable leadership of Mrs. Roisman, the Thespians work, learn, and have a grand time.

Row 1: E. Lachman, A. Mucha, P. Kaye. Row 2: J. Anderson, D. Lott, T. Taravella.

CHESS CLUB

The ancient game of chess has its butts in every corner of the world. At Venice, the devotees of this contest of strategy meet weekly with Messrs. Costello and Taub to work out plans, challenge one another, and prepare for tournaments to be won for the glory of the Venice Chess Club.

Pictured at right are some of the Grand Masters of Gondoland straining every wit in practice contests.

LENSMEN

The Lensmen, as their name implies, are a group of Venetians who are interested in photography. Sponsored by Mr. Kleinman, the Lensmen offers to picture fans a chance to come together to talk about, think about, and work with cameras. Members of Lensmen have gone on to do fine work in the field of photography. The club is open to all interested students.

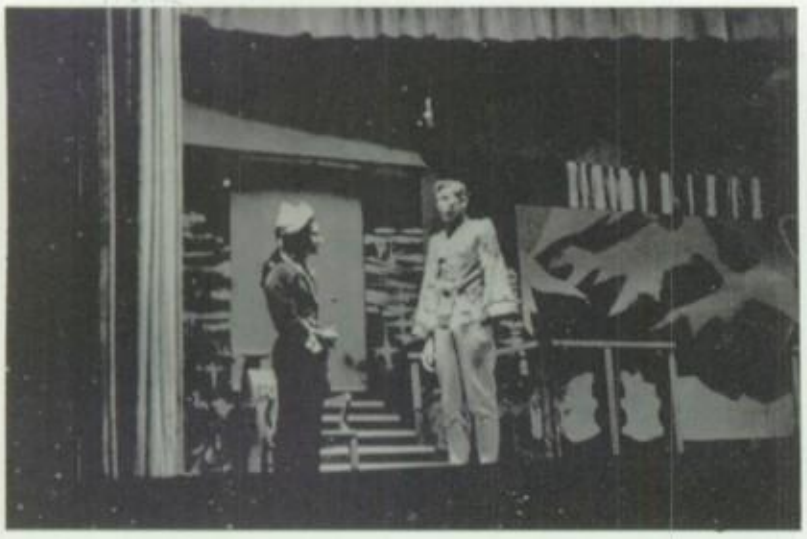
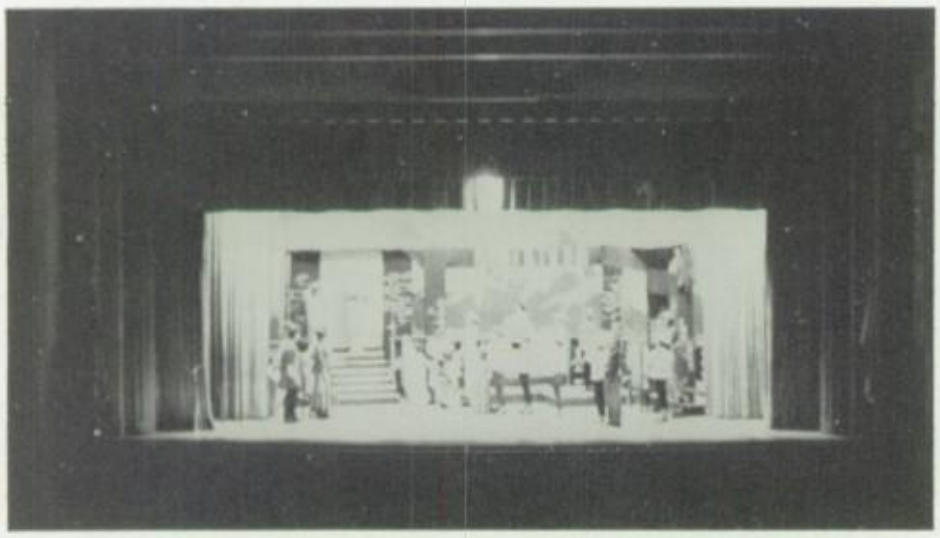
"LOST HORIZON"





LOST HORIZON

On Wednesday and Thursday, January 16 and 17th, the Venice Drama Group, under the leadership of Mrs. Helen Roisman, presented the stage version of James Hilton's ''Lost Horizon.'' "Shangri-La" came to Venice Aud in this famous story of a hidden valley of peace and contentment high in the mountains of Tibet. Into this valley came four strangers.

The subject of this play was how they reacted to it. Was Shangri-La a place of beauty or evil? Was To Tsin really over 100 years old? Was Helen a pupil of Chopin? These questions were answered for the student body of Venice High.

The cast included Dan Lott, Tina Taravella, Erla Schiess, John Maas, Janis Anderson, Anita Mucha, Gary Krakower, Eleanor Lachman, Natalie Gunn, Pamela Kay, Janet Norman, Lynn Waldorf, and Robert Nelson. Congratulations to the drama group for a tremendous and exciting performance.

G.A.A. Cabinet, Winter 1963.

"I once bowled three hundred and ate! (I brought my lunch along . . .)"

"The word is LEOTARD, not LEOPARD, you dope . . ."

"If you print that picture I'll . . ."

G.A.A. is the Girls' Athletic Association. It is sponsored by the Girls' Physical Education teachers. The purpose of G.A.A. is to interest and encourage all girls to participate in after school sports. Some of the activities include: softball, basketball, ping pong, and dance. This semester, two new sports have been added, bowling and swimming. One of the highlights of each semester is the G.A.A. Banquet at which officers are announced and awards are given.

The Lettergirls is one of the oldest and most popular of Venice's Activities. It offers to girls a chance to do helpful work and have fun, too. Requirements are approximately one and one-half years in G.A.A. and good grades and behavior in classes. Among the duties of Lettergirls are selling programs at football games, assisting in "Girls' Day in Sports," officiating at "play-days," and helping out at track meets. The girls also help out in various ways through their efforts in community drives and activities and their assistance to members of the Girls' Physical Education Department. Lettergirls hold a banquet each semester to celebrate their achievements and honor their heroines.
